Form Layout (Section-wise)

Section A — Member Details

- Member Name (First Name, Last Name)
- Register/Roll Number (Single Line)
- Member Type (Radio: Student / Faculty / Staff)

Section B — Contact Details

- Email Address (Email field)
- Contact Number (Phone field)
- Hostel/Residential Address (Address field)

Section C — Book Request Details

- Book Category (Drop Down)
- Subject Areas of Interest (Multi Select)
- Number of Copies (Number field)
- Purpose of Borrowing (Multi Line)

Section D — Scheduling & Acknowledgement

- Preferred Issue Date (Date field)

- Preferred Collection Time (Time field)
- I agree to the library rules and return policy (Checkbox)

Validation Rules to Configure

- Member Name, Phone, Register/Roll Number, Member Type, Book Category, and the consent Checkbox are mandatory fields.
- Email field: built-in email format validation enabled.
- Phone field: country code format enabled for Indian numbers.
- Number field (Number of Copies): restrict value range from 1 to 5 per request.
- Date field: restrict Preferred Issue Date to disallow past dates.
- Checkbox (Library Rules): form cannot be submitted unless checked.

Workflow Summary

- Step 1: Member opens the public form link shared on the library notice board or college portal.
- Step 2: Member fills in personal, contact, book, and scheduling details across the four sections.
- Step 3: On clicking Submit, Zoho Creator validates all mandatory fields and formats.
- Step 4: A new record is created in the Book_Issue_Request_Report.
- Step 5: An automated confirmation email (using the Email field value) is triggered to the member.
- Step 6: Library staff review the report, filter by Book Category and Preferred Issue Date, and prepare the requested copies for collection.
